1. Edit the text with the type tool to reflect your character.

2. Hide all ships except the one you're flying.

3. Do the same for the 3 rank branches, watermark and faction logo.

4. Choose your insurance policy (currently only Zaonce)

5. Get a 175px\*175px picture of what you imagine your character would look like. Place it in the Photo folder below PHOTO BORDER; Use Screen and 80% Opacity

6. Choose your privileges & re-align to center

7. Issued = Date you bought in (or make something up like you would with the expiration data)

8. Get some fancy handwriting fonts for the finishing touch on the signatures

9. Enjoy your totally legal Pilots License!
